

Classic TT, corona virus I Europa.

Corona.

14/3-2020.

Angående virussen covid-19, som efterhånden er udbredt i det meste af verden, har regeringen i Danmark i disse dage lukket landets skoler og uddannelsesinstitutioner m.m. og udvider denne liste løbende.

I første omgang er lukningen i Danmark til den 27/3.

Derudover har regeringer lukket Danmarks grænser til den 13/4.

Vi vil i fonden Ring Djursland Motorsport, der står bag Classic TT på Ring Djursland den 1. – 3. maj, holde os orienteret med den Danske regerings tiltag de nærmeste uger.

Ligesom vi ser på DIF's holdninger (som pt. er de samme som regeringen), ser vi også på lignende arrangementer i Europa.

Vi aflyser pt. ikke noget, og håber på en bedring i forholdene de næste uger.

Herefter vil vi tage stilling, så alle får besked i god tid.

Vi håber stadig at vi kan afvikle arrangementet, som så mange har støttet og lagt kræfter i.

Fonden Ring Djursland Motorsport / Classic TT 2020.

Eng.:

Classic TT, corona virus In Europe.

Corona.

Regarding the covid-19 virus, which is now widespread in most of the world, the government in Denmark has shut down the country's schools and educational institutions, etc. and continuously expand this list. Initially, the closure in Denmark will last until 27/3.

The Danish government have furthermore decided to close the borders until the 13/4 in an attempt to control the outbreak.

In Fonden Ring Djursland Motorsport, which is the organizers of the Classic TT at Ring Djursland on May 1 - 3, we will keep us informed with the Danish government's action in the coming weeks.

Just as we look at DIF's attitudes (which are currently the same as the government), we will also look at other events in Europe regarding the possibility to still go through with the race.

We are not canceling at the moment and hope for an improvement in conditions over the next few weeks. Here after, we will make the decision, so that everyone is notified in time.

We still hope that we can run the event, which so many have supported and put in a lot of work to make possible.

Fonden Ring Djursland Motorsport / Classic TT 2020.
